

COMPETITIVE ADVANTAGE

Black Series' factories and warehouses are located in Australia, China and United States. The company has been focused on the goal of creating luxurious, home-like experience in the rugged outdoors since its establishment.

Black Series is dedicated to camper R&D, manufacturing and vehicle testing. The company's intelligent design keeps safety in focus while encourages an outdoor luxury lifestyle of being with nature.

Born with the rugged off-road nature, Black series trailer is able to conquer terrains around the world, from Australia's rugged "Out Back" to United States and South Africa. Black Series has gained a worldwide reputation of trust on high quality and adventurous travels.

Better Experience in the Wild

- Go anywhere you want
- Large volume water supply
- Continuous electric power support
- Solar panel, diesel, nature gas and other energy sources
- Polyurethane insulation

All Terrain Capability

- Independent suspension
- Reinforced chassis/towing frame
- All-terrain tires
